## **DISABILITY OR DEATH CANCELLATION**

In the event of your death your total loan balance at that time would be cancelled. An official copy of the death certificate must be provided. In the event of your total and permanent disability the outstanding amount of your loan would be cancelled. Permanent and total disability means the inability to attend school or work and earn money because of medically determined impairment. A Loan Discharge application form must be completed if totally and permanently disabled. The Secretary of HHS would approve or disapprove the cancellation due to disability.

IF YOU HAVE A STAFFORD LOAN (GSL) and need information, contact Financial Aid, located in the Enrollment Services Center or call 605-688-
