

SOUTH DAKOTA STATE UNIVERSITY

The purpose of conferring the award of Distinguished Professor is to recognize the most outstanding faculty members at SDSU who have

at least three and no more than five letters of support for the nominee from leaders/scholars in the field/discipline and one letter of support for the nominee from a professional outside of the discipline. Each letter should include a paragraph that provides a bio of the leader/scholar submitting the letter.

All nominations are submitted through the appropriate Department Head/School Director and Dean to the Office of
