Total number of hours required for major			108	Total number of hours required for major			98
Total number of hours required for degree			120	Total number of hours required for degree			120

8. Explanation of the Change:

The Department of Physics identified the following changes to the Physics majors

Removed a specific course selection from SGR #1 and SGR #2 to allow students more flexibility in meeting their System General Education requirements.

Department updated zero credit lab courses and adjusted the credits between the lecture and labs to accurately reflect contact time.
