Section 1. Course Title and Description

Prefix & No.	Course Title	Credits
NURS 783	Healthcare System Management and Evaluation	3

Course Description

This course will provide an analysis of the effects of healthcare delivery and policy on healthcare systems. The course analyzes regulatory, technological, policy, and social influences that impact healthcare organizations, providers, populations, and patients. The development and implementation of initiatives to meet the quadruple aim will be integrated.

Pre-requisites or Co-requisites
