If a student chooses to double major in two or more majors offered through the Ness School of Management and Economics, each major needs to have at least 15 credits that are distinct from the other major(s).

**8. Explanation of the Change:**

Added BADM 101 Survey of Business (3 cr.) as a required course, as a foundational knowledge set for anyone with a major in the Ness School.

Re-worded the academic requirements - and removed reference to each in the Ness School.
