1. Provide specific reasons for the proposal of this course and explain how the changes enhance the curriculum.

Changes in professional standards and guidelines necessitate the revision of the BSN curriculum.

The changes to the curriculum, which includes this course, will focus on clinical application in the on-campus clinical setting, including in the lab and simulation environments. Current coursework could not be modified as the accreditation changes require substantial revision of content. Current coursework will be maintained to teach out currently enrolled students.

2. Note whether this course is: Required Elective

3. In addition to the major/program in which this course is offered, what other majors/programs will be affected by this course?

None

4. If this will be a dual listed course, indicate how the distinction between the two levels will be made.

N/A

5. Desired section size 13
