Adequate facilities to teach this course successfully are present at SDSU. Current plans include a partnership with SDSU, Custer State Park, and Bad River Ranches (Turner Enterprises). This partnership will work in tandem with bison round ups to get students hands on experiences working with animals.

8. Note whether adequate library and media support are available for the course.

Library and media support is available and more than adequate for this course.

9. Will the new course duplicate courses currently being offered on this campus?    Yes            No

10.
