PROFESSIONAL SUMMARY

Dedicated,

- x Actively participated in introducing Pathway to Premiere 2030, a strategic plan for SDSU college personnel and collaborated with college leadership to identify key strategies and performance indicators.
- x Compiled data and facilitated completion of the college's comprehensive strategic enrollment plan.
- x Supported multiple programs in successful submission of accreditation related professor program reviews
- x Assisted each program in assessment of program student learning outcomes with 100% of programs meeting institutional assessment reporting requirements.
- x Member of SDSU Academic Affairs committee since 2022 and chair of Assessment Committee 2022-2023.

PROGRAM DIRECTOR and INSTRUCTOR, NUTRITION & DIETETICS INTERNSHIP

December 2014 June 2022

School of Health & Consumer Sciences, Dakota State University, Brookings, SD

DUTIES & RELATED SKILLS

PROJECT MANAGEMENT

- x Develop policies and procedures to effectively manage all components of the graduate level plus supervised practice nutrition and dietetics internship.
- x Ensure all university, Accreditation Council for Education in Nutrition and Dietetics (ACEND®) accreditation standards, policies and procedures are met.
- x Design curriculum and supervised practice schedules.
- x Accountable for maintenance of program accreditation, including timely submission of fees, accreditation reports and site visits.

QUALITY IMPROVEMENT

- x Develop processes for evaluating continuous assessment of program goals, objectives, and student learning outcomes.
- x Seek feedback from faculty, students, preceptors, and external stakeholders to develop effective strategies for program improvement.
- x Analyze outcomes and prepare reports for internal and external review.

INSTRUCTION

- x Employ team based learning strategies with experiential learning experiences for undergraduate and graduate level courses.
- x Facilitate campus and community outreach projects for students.

KEY ACCOMPLISHMENTS

- x Spearheaded the effort to develop and seek accreditation for a new 22th graduate level plus nutrition and dietetics internship program in 2014. Successfully was approved by the ACEND® board as a candidacy for accreditation status program in 2015. The program successfully received full accreditation status in 2019 and has exceeded all program goals and objectives to date.
- x Began collaborating with faculty and external preceptors in 2018 to develop a nutrition and dietetics accelerated bachelor's to master's competency based program (2+3 year program) in response to changing professional standards, enrollment trends and trends.
- x After an extensive review of curriculum and supervised experiential learning methods, a plan was developed and submitted as a Future Education Model Demonstration P6 (ho)-trabo-2.9 (t(a.5 (4)-)-0.8 1 .1 N

x Developed an online set of preceptor

EXTENSION EDUCATOR GRANT COORDINATOR

August 2003- May 2011

South Dakota State University Extension Food & Families, South Dakota State University, Madison, SD
